18	1 admin training session (remote)

3. Investment Summary

Prices below are fixed for the stated scope. Optional features are priced separately so you can choose what to include at launch.

Item	Description	Amount (INR)	Approx. USD / LKR
A. Core Website	Full Wild Ridge hospitality website as scoped above (Recommended package)	INR 1,39,000	\$1,457 · LKR 489,280
B1. Online Booking	Optional — custom online booking flow (availability / enquiry-to-booking)	INR 30,000	\$314 · LKR 105,600
B2. Payment Integration	Optional — one payment gateway integration (e.g. PayHere / Stripe / bank)	INR 15,000	\$157 · LKR 52,800
B3. Multi-language	Optional — first additional language (UI + CMS fields; translation by client)	INR 20,000	\$210 · LKR 70,400
B4. Booking Engine Integration	Optional — third-party PMS / booking engine API integration (confirm platform first)	INR 25,000	\$262 · LKR 88,000

Core website total: INR 1,39,000 INR (approx. \$1,457 USD · LKR 489,280) — exclusive of optional features B1–B4.

Exchange rates are indicative only (approx. 1 INR = 3.52 LKR; 1 USD ≈ 95.4 INR as of Aug 2026) and may vary at the time of payment.

4. Suggested Launch Packages

Suggested Launch Package	Includes	Investment
1. Launch Essential Recommended start	Core website only — ideal first phase	INR 1,39,000 \$1,457 · LKR 489,280
2. Launch + Bookings	Core + Online Booking system	INR 1,69,000 \$1,771 · LKR 594,880
3. Growth Launch	Core + Online Booking + Payment + 1 extra language	INR 2,04,000 \$2,138 · LKR 718,080

Note: Online Booking (custom) and Third-party Booking Engine Integration are alternative paths for phase-1. We recommend selecting one primary booking approach after confirming whether Wild Ridge already uses a PMS / booking platform.

5. Hosting & Maintenance (Optional)

Optional Recurring	Details	Amount
Managed Hosting	Secure hosting suitable for hospitality website (annual)	INR 10,000 / year
Maintenance & Support	Updates, backups, security patches, minor content changes (up to ~2 hrs/month). First month free after launch.	INR 5,000 / month

6. Timeline

Estimated delivery: 6–8 weeks from project kickoff (after 40% advance, brand assets, and content schedule are confirmed).

Typical phases: Discovery & sitemap → UI/UX design & approval → Development & CMS → Content population → QA → Training → Go-live.

7. Payment Terms

Milestone	%	Amount (Core only)	When due
Advance / Kickoff	40%	INR 55,600	On acceptance of quotation & agreement
Design / UI Approval	30%	INR 41,700	After homepage + key templates approved
Pre Go-Live	30%	INR 41,700	After UAT, before final DNS / launch

Optional features, if selected, follow the same milestone percentages. International payments can be arranged via bank transfer / agreed gateway. Final tax treatment (if applicable) will be confirmed on the invoice.

ANNEX A

Client Inputs Required

CodeArc can deliver the full Wild Ridge scope in this quotation. To start on time and avoid delays, please share the items below. You may send content via Google Drive, email, or WhatsApp. Items marked **Yes** are required for core launch; optional-feature inputs are needed only if you select those add-ons.

8. Brand, Domain & Access (Core)

#	Item	What we need from you	Required?
1	Logo & brand	Logo files (PNG and/or SVG), brand colours, fonts if available, any brand guidelines.	Yes
2	Domain access	wildridge.lk registrar login, or ability to update DNS / nameservers when we send records.	Yes
3	WhatsApp number	Business WhatsApp number to show on the website contact button.	Yes
4	Enquiry email	Email address(es) that should receive Contact / Enquiry form submissions.	Yes
5	Hosting choice	Confirm CodeArc managed hosting OR provide your own hosting credentials.	Yes
6	Admin users	Name + email of 1–2 people who will manage the CMS after launch (for training).	Yes
7	Social / map links	Facebook, Instagram, TripAdvisor, Google Maps / Google Business link (if any).	Preferred

9. Website Content (Core)

#	Content	What we need from you	Required?
1	Home & About	Short business intro, About Us story, team (optional), key highlights for homepage.	Yes
2	Accommodations	For each unit: name, description, amenities, capacity, public price (if any), photos.	Yes
3	Experiences	For each experience: name, description, duration, inclusions, photos, price notes.	Yes
4	Dining	Cuisine / dining story, meal overview, dietary notes, photos.	Yes
5	Gallery	High-resolution photos (and videos if any), ideally sorted by folder/theme.	Yes
6	Offers & packages	Offer title, validity dates, inclusions, price or “from” price, terms (if launching with offers).	If applicable
7	Blog posts	Initial articles (0–5 is fine at launch) with images and author name — or leave empty.	Optional
8	FAQ	Common guest questions and answers (check-in, location, wildlife, payments, etc.).	Preferred
9	Terms & Privacy	Legal text you provide, or written approval to publish standard template wording.	Yes
10	Content volume	Confirm approximate launch counts (e.g. how many rooms, experiences, offers, blogs).	Yes
11	Reference notes	What you like / dislike about Leopard Trails style (structure only — design will be unique to Wild Ridge).	Preferred

10. Optional Features — Inputs (only if selected)

Reply Yes/No for each optional. If Yes, provide the matching details so we can implement without rework.

#	Optional	What we need from you	Required?
1	B1. Online booking	What can be booked (rooms / experiences / packages)? Instant confirm or request-only? Min nights, guest counts, rate list (Excel OK), cancellation / deposit policy.	If B1 selected

2	B2. Payments	Preferred gateway (e.g. PayHere / Stripe / bank), currency (LKR / USD), deposit % or full pay, merchant account + API/test keys after KYC with the provider.	If B2 selected
3	B3. Multi-language	Which language (Sinhala / Tamil / other)? Full translated text for all pages, or a translator. CodeArc builds the language system; you supply translations.	If B3 selected
4	B4. Booking engine	Exact PMS / engine name (e.g. Cloudbeds, Little Hotelier). Confirm API or embed widget access and admin credentials. Prefer one path: custom booking OR engine — not both for v1 unless agreed.	If B4 selected

11. Delivery assumptions

- English is the primary language in the core package unless multi-language (B3) is purchased.
- Client provides final text and images; professional photography and full copywriting are not included unless quoted separately.
- Two (2) design revision rounds are included on agreed templates; further changes may be change requests.
- Launch content volume is confirmed at kickoff; large bulk migrations or hundreds of pages may be quoted separately.
- Timeline pauses if required content, approvals, or DNS access are delayed beyond agreed review windows.
- Optional booking / payment / engine work starts only after the related inputs above are confirmed.
- Design is unique to Wild Ridge (inspired by quality/structure of premium hospitality sites, not a pixel clone).

12. Out of Scope (unless added)

- Professional photography / videography shoots
- Long-form copywriting of all pages (can be quoted separately)
- Ongoing digital marketing / paid ads management
- Native mobile apps
- Complex channel-manager / multi-property enterprise PMS customisation beyond agreed integration

13. Next Steps

1. Confirm preferred launch package (Essential / + Bookings / Growth) and any optionals B1–B4.
2. Share brand assets, content, and Annex A inputs (or a timeline for when content will arrive).
3. Confirm whether any booking/PMS platform is already in use.
4. Confirm preferred languages (if multi-language is required).
5. We issue a simple agreement and payment instructions for the 40% advance.
6. Kickoff call → design begins.

We look forward to building a distinctive digital home for **Wild Ridge**.
